EXTRA EXEMPTION FOR MARRIED MEN IN NEW INCOME TAX SCHEDULE

Ottawa, April 15.—Under the reductions in income tax announced by Hon. J. A. Robb in his budget speech this afternoon, the married man without other dependents will now get exemptions up to \$3,000, or an increase of \$1,000 in the exemption. The married man without dependents earning \$3,500 a year will now pay \$10 instead of \$60; earning \$4,000, he will pay \$20 instead of \$80.

The income tax exemptions announced by Finance Minister Robb will apply on 1925 incomes on which the tax is payable on the 30th of this month.

Mr. Robb announced taxation and tariff changes as follows:
Income tax reductions all along the line, exemption for married men increased. Distinction made between earned and unearned income. Exemptions are increased from \$2,000 to \$3,000 for married persons and from \$1,000 to \$1,500 for single persons.

Receipt tax wiped out.
Penny post to return on Dominion Day.

Sales tax removed from a number of articles and reduced to 2½ per cent. on canned fish.

Automobiles.—Duty on automobiles at retail value not more than \$1,200 and on motor trucks and motorcycles reduced to 20 per cent. general tariff; 17½ per cent. intermediate; 12½ per cent. British preference. On automobiles valued at more than \$1,200, general tariff reduced to 27½ per cent.; intermediate

to 25 per cent.; British preference to 15 per cent.
To encourage the Canadian automobile industry, drawback of 25 per cent. will be paid on materials used in manufacture at above mentioned motor vehicles provided that at least 50 per cent. of the cost of the finished articles is produced in Canada.

Tariff Changes
Cocoa beans, increased in general tariff \$1.50 to \$2.00 per hundred pounds.

Corresponding increase made in certain cocoa products.

Coffee, green free under British preference.
Ginger, spices, nutmegs, mace and arrowroot—rates reduced in compliance with West Indies agreement.
Bananas—Free under all tariffs but governor-in-council given power to impose duty of fifty cents under general and intermediate tariffs leaving them free under British preference when shipped direct.

Provisions Affected
Pineapple.—When in air tight tins, rate reduced from 1½ cents a pound to ¾ cent under British preference.

Frush meats.—General tariff increased ½ cent per pound.

Seeds.—Free seeds for re-afforestation on free list.

Sugar.—For refining, testing 96 degrees of polarization reduced under the British preference 10.288 cents per 100 pounds, that is from 45 cents to 28.712 cents. Proportionate reductions made in the duty on sugar of other degrees of polarization.

Angostura bitters, imported by ship direct. British preference to be \$5 per gallon as compared with present duty of \$10.

Sponges.—These now pay 12½ per cent. British preference and 8½ per cent. under British West Indies agreement of 1920. They are to be free under the British preference.

Tin plate.—Of class or kind not made in Canada, free under British preference. Dutiable at 5 per cent. under the intermediate and general tariffs. Change made, announced Mr. Robb, for the benefit of the canning industry.

Patentees and equipment for generating electrical power for farm purposes. Duty reduced under British preference to 5 per cent.; under intermediate and general tariffs to 10 per cent. Proportional reductions made on the raw material.

Steel Castings
In rough for manufacture of shotguns, duty reduced under general tariff to 10 per cent.; on gun stocks, duty reduced under general tariff to 15 per cent.

Miners' safety lamps—Duty removed on belt and exp lamp for miners.

Machinery for use only in producing unrefined oil or fertilizers from shale, put on free list and exempt from sales tax.

Aircraft engines and complete parts free under British preference; dutiable at 7½ per cent. under the intermediate and 10 per cent. under the general, until July 1, 1928.

Eighteen per cent. duty on the manufacture of explosives, to be free.

Drawbacks Provided
Drawbacks are provided as follows: 99 per cent. on sugar used in manufacture of loganberry wine; 80 per cent. on artificial silks, tops and waste, until January 1, 1928; 80 per cent. on artificial silk yarn imported under tariff item 553a, when imported prior to January 1, 1928, and manufactured before January 1, 1927; 99 per cent. on cellulose acetate in powder form when imported after April 30, 1927, and before November 1, 1927, and manufactured before January 1, 1927.

factured before December 1, 1927; 80 per cent. on yarns produced from cellulose acetate, dry, spun, when imported after October 31, 1926, and prior to August 1, 1927, and manufactured before September 1, 1927.

Proposed that after January 1, 1927, benefits of the British preferential tariff shall apply only to goods conveyed direct to a sea or a river port of Canada.

Taxation on carbon acid gas as specified in schedule 20 of the special War Revenue Act repealed.

Ottawa, April 21.—R. J. Manion, Conservative, Fort William, late yesterday afternoon moved a Conservative amendment to the budget, regretting that assurances given in the speech from the throne that tariff changes would be referred to the advisory tariff board had not been fulfilled.

The amendment reads: "In the late general election campaign assurances were repeatedly given by the prime minister and other members of the crown that before further tariff changes were made an opportunity would be given to industries affected thereby to be heard before an advisory board."

"That such assurances were officially incorporated by the government in the speech from the throne of the present session in the following words:

"Changes in the tariff should be made only after the fullest examination of their bearing upon both primary and manufacturing industries and that representations requesting increase or decrease of duties should be made the subject of most careful investigation and report by a body possessing the necessary qualifications to advise the ministry with respect thereto. A tariff advisory board will accordingly be appointed forthwith."

"That such tariff advisory board was accordingly appointed.

"And this house regrets that in case of drastic changes announced in the budget, such assurances have not been fulfilled."

IMPROVEMENTS AT THE SILVER GRILL CAFE

Lee Brothers, who lately purchased the Silver Grill Cafe, have made extensive improvements in its interior arrangement. A lunch counter has been installed—the place has been thoroughly cleaned and renovated, and presents an appearance equal to any city restaurant. Courteous and efficient service—excellent meals. Ice Cream, confectionery and tobaccos and smokers' requisites. Your patronage solicited.

Some remarkable yacht scenes

The directors of the Macleod Agricultural Society met Saturday afternoon, April 17 to receive the reports of the various prize list committees, appointed at the last meeting to revise the prize list for the 1926 fair. A number of changes were made in the livestock classes to make the list conform to the New Standard Rules of the Province.

The sports committee presented their program of races which was accepted, and it will be printed in the prize list this year. That committee is also preparing a program of amateur sports and pleasure attractions, which will be published later.

A contract was presented to the directors from the C. F. Zeiger United Shows for midway and carnival attractions, which was accepted. The directors consider they are very fortunate in securing the Zeiger Shows, as they are reputed to be one of the best and most honorably conducted carnival shows on the road. It will certainly be the largest Carnival ever seen on the Macleod Fair Grounds.

From present indications, and the interest already evinced, the Fair of 1926 promises to be one of the largest and best ever held in Macleod. The Fair Board is more enthusiastic than ever before, the town council and the Board of Trade are lending their support and backing the board in every way, so there is no reason why it should not be a big success.

THE EMPRESS THEATRE -- CURRENT ATTRACTIONS

EXTRA! GLORIA SHOVELS COAL IN STOKESOLD—BUT IT'S ONLY FOR A SCENE IN HER NEW PICTURE, "THE UNTAMED LADY"

In the course of her long and varied screen career Gloria Swanson has been called upon to do many things—some rip-roaringly funny as for example, her impersonation of Charlie Chaplin; others extremely dangerous, such as diving off a high cliff into the sea below—but never did she really feel "the thrill" that comes once in a lifetime until she played the title role in "The Untamed Lady," her latest production, playing at the Empress Monday and Tuesday.

There is a scene in this picture in which Gloria is forced to go down into the stockhold of a yacht during a raging storm and shovel coal into the furnace so that the yacht may make port. Miss Swanson confesses that, although the experience was a trying one and she was not a little seasick after it was all over, she got a great "kick" out of it.

This is but one of the many striking episodes in Gloria's newest starring vehicle, which was especially written for her by Fannie Hurst. She plays the part of a wealthy society heiress, with an ungovernable temper, whose fiancé sets out to tame her. The clash between these two equally determined young people is sparkling comedy and tense drama.

Frank Tuttle has done a workmanlike job of the direction, and, in addition, has given the production a lavish mounting that makes it pictorially attractive. Any girl who inherits twenty million dollars certainly has a right to splurge a bit on clothes, so it isn't surprising to find Miss Swanson displaying a marvellous array of ultra-modern gowns.

In keeping with her social position.

The supporting cast is notable for the excellence and quality of its personnel. Lawrence Gray, who did such effective work opposite Gloria in "Stage Struck," is again her leading man in this picture—a distinction which he fully justifies by his very finished performance. Joseph Smiley, Thomas Holding, Charles Graham and Jack Senger are some of the other prominent players.

GLORIA SHINES IN RICHLY-SET SOCIETY FILM—"UNTAMED LADY" IS RIOT OF PEP AND HUMOR AGAINST DE LUXE BACKGROUNDS

Gloria Swanson sparkles through her latest picture, "The Untamed Lady," at the Empress Monday and Tuesday, with all the brightness and polish of the finished actress and all the buoyant independence and luxurious wardrobe of a society heiress, who has youth, beauty, social position and—twenty million dollars!

One would naturally think that life for a girl so richly endowed would be one grand, sweet song, but alas and alack! there is always a fly in the ointment. In her case it is an ungovernable temper, which frightens friends and fiancés, and provides the framework on which the comic, dramatic and romantic experiences of the plot are built.

It is this temperament that prompts her to cheer for Yale when she is sitting in the Princeton stand, and each time the engagement blows up. It is then that fiancé No. 4 comes along and determines for her good as well as his own peace of mind to tame her. And then the fun—and action—and thrills, begin in earnest!

35 CENT GAS WILL BE ASKED

Calgary, April 17.—Gas to domestic consumers at 35 cents a thousand cubic feet is the basis on which the city commissioners believe that the city of Calgary should prepare its case for submission to the Board of Public Utility Commissioners, when the hearing for a new rate takes place in June, it was announced by Acting Mayor Frank R. Freeze on Saturday morning.

This is the rate which was in effect previous to the time that the Board of Public Utility Commissioners issued the order under which the Canadian Western Natural Gas Light, Heat and Power Company is supplying gas in the city at the present time. The rate is now 43 cents, having been reduced by the gas company with the city's consent from 48 cents on joint application to the Utility Board in November of last year.

At the last council meeting Acting Mayor Freeze intimated that the city would fight for a reduction to at least the old rate of 35 cents. He confirmed this in an interview Saturday, adding that the matter was being given consideration at the present time by the commissioners and the city solicitor.

Rate Expires Oct. 31
The present order of the Utility Board expires on October 31. It was verbally understood, when the rate question was under consideration last fall, that the question of a new rate would be argued before the Utility Board by the city and gas company in June.

"We are going ahead to prepare our case on the basis of getting a reduction in the price of gas to at least the old rate of 35 cents per thousand cubic feet," said the acting mayor.

"With all the development that is now taking place in the Turner Valley field there is every indication that there will shortly be more gas than we will know what to do with," he added. "A lot of it is going to waste at the present time and I can see no reason why the citizens of Calgary should be called upon to pay more than 35 cents per thousand cubic feet with such a large quantity of gas available so near at hand."

MACLEOD UNITED CHURCH OFFICIAL BOARD

The newly elected Official Board of the Macleod United Church held its first meeting on Tuesday evening, and the organization for the year was set up. Mr. Jas. Rothney will act as secretary, Jas. Doucans as treasurer, Wm. Andrews and Stanley Collis as envelope stewards and Mr. Andrews and Mr. H. L. Maltby as ushers. It was decided to give the pastor, Rev. W. H. Irwin, a substantial raise in salary, and plans were laid to make the new year one of great success. Many expressions of appreciation were passed regarding the valued services of Mr. A. F. Grady, who for over forty years has served the church in every capacity. Some opinions were expressed that the pastor should be relieved of outside work so that he might be able to attend the Sunday School. A committee was appointed to go into this matter with the board of Macleod South Field.

COMING EVENTS

ELK MINSTREL SHOW
A big minstrel show will be staged at the Empress Theatre, Macleod, on Thursday May 20th, under the auspices of the Macleod B.P.O.E. Lodge 129. The cast will include 30 chosen songsters and funmakers from the Macleod Elks, in a lengthy program of songs, duets, quartettes, witty dialogues and nigger sketches and promises to be one of the best minstrel entertainments seen in Macleod for some time past. In the afternoon a big street parade will be held, and at 3:30 p.m. sharp a free show will be given to all children under 14 years of age. In the evening the performance will be repeated, when the admission will be seventy-five cents for reserved and fifty cents for rush seats. The proceeds of the entertainment will be used for the purpose of augmenting the funds for entertaining the children at their big picnic and gala day on May 24th. The Macleod Band have stated their intention of assisting in the parade, and the local Elks will turn out in force in full regalia.

There will be a meeting of The Local Council of Women in the Parish Hall on Tuesday, April 27th, at 4 p.m. Nominations for officers of the National Council of Women will be made and some of the resolutions to be presented at the annual meeting of The N.C.W. in Vancouver will be considered. Mrs. O. C. Edwards will give an address. Members of the affiliated societies are earnestly requested to attend.

AL WILSON'S GREATEST THRILL

Al Wilson, whose thrilling exploits as an aviator, are chronicled in rather amazing fashion in his first big aviation stunt melodrama, "The Air Hawk," got his biggest thrill while flying over the German lines during the world war.

Wilson first served as a French ace. Later he was transferred to the Yankee lines where he quickly won high honors for his daring and skill in the skies.

It was in a duel with a German flier that Wilson got the thrill of his life—a thrill he never expects to equal in the pursuit of his duties as a flying movie star in Hollywood.

A shot from the German's machine gun crippled the propeller of Wilson's plane. It began to fall, turning and twisting in its descent to the rocky crags of a mountain hundreds of feet below. To make it

CHANGES MADE IN CLUB REGULATIONS UNDER LIQUOR ACT

Changes in regulations governing licenses to clubs in the province under the Liquor Control Act were announced by R. J. Dinning, liquor commissioner, in a circular letter received by officials of the various licensed clubs on Thursday morning. The new regulations become effective at once.

The board has revised regulations covering the following points:—

Restricting Visitors
First, providing for restrictions regarding visitors consuming beer on club premises.

Second, providing for a change in the hours during which beer may be sold or consumed on licensed club premises.

The first changed regulation affects all clubs in the province. Under that ruling, members of clubs will not be able to sign for visitors who live within a 15-mile radius of a club location. In other words, visitors are classified as persons residing outside the defined area.

Change of Hours
The second regulation will not affect clubs in Calgary, Edmonton, Medicine Hat, and Lethbridge. It provides for a change in the hours during which beer may be sold or consumed from 9 a.m. to 11 p.m., as at present to 9 a.m. to 10 p.m. for clubs at all points except the four mentioned. In the four cities the hours will remain the same.

Complete Akamina
Mr. Harvey, engineer of the Parks Department, Ottawa, is on his way to Waterton National Park to prepare for the season's work in connection with the completion of the Akamina, highway to Oil City. Some work will also be done towards improving the present road from Oil City to the B.C. boundary. It is not expected that the new highway will be ready for traffic before September.

BROWNLEE TAKES UP COAL PROBLEM

Edmonton, April 21.—Premier Brownlee, who is leaving for the east in the course of the next day or two, will attend a conference in Toronto on the 27th, which has been called by Mayor Foster for the purpose of considering the Ontario coal problem.

Representatives of the municipalities in Ontario, the Dominion government, and the coal and iron industries will be present.

Mr. Brownlee will stop off in Toronto to attend this meeting, and will follow it up at Ottawa in an effort to see if some arrangements cannot be made for the movement of Alberta coal eastward during the summer, pending the investigation into the rate question by the railway commission.

BACK TO PROSPERITY

With the first real Liberal-minded budget since pre-war days, the Mackenzie King Government is today sitting on top of the world in Canada.

Reduction in income tax, two-cent postage, elimination of the receipt tax, further exemptions in the sale tax and the reduction of automobile tariff will create a great wave of public approval throughout the Dominion.

This budget not only signals the return of prosperity, but also opens the door for a real progressive policy in Ottawa.

Having proved to the people of Canada that its concept of government is the creation of prosperity among the people rather than the filling of government coffers, the Mackenzie King administration stands in a position today to embark on a programme of development that will raise this country to a new peak of affluence among the nations of the world.

Reduction of taxation is the passive function of government. The active function of the Canadian Government is to fill up the vacant acres with new settlers, to intelligently stimulate trade and to so balance the economic situation as to encourage new industry.

If the Mackenzie King administration can cap its taxation programme with the development of the Peace River as a great immigration magnet, the perfection of trade treaties with other British Dominions, the appointment of an ambassador to

Washington and the cessation of American exploitation of our raw resources, it will leave a record that will compare favorably with the best and most prosperous eras in Canadian history.—Vancouver Sun.

THE NEW DECALOGUE

Three thousand London school children were asked, says a news despatch, to write down what they considered the most wicked thing a person could do.

Here are some of the deadly sins enumerated by the children:

Marrying for money; owning slum property; bobbing hair; kissing; quack medicines; talking back to police; wearing reducing corsets; attracting male attention; going to pubs; digging with the elbows.

Times have changed since the convention on Mount Sinai 4000 years ago.

And it is indicative of how little this rising generation remembers the horrors of 1914-18 that only 6 per cent of the answers referred to war as a sin.

The decalogue of this generation is a weird and wonderful thing with more amendments than the long-suffering American constitution.

COLONEL GEORGE HAM

With the death of George Ham, Canada loses something that had become a national institution.

Colonel Ham was one of the most vivid personalities in the Dominion. He was a humanizing force in the organization of the Canadian Pacific Railway. His life will add color, vigor and interest to the history of Canada.

The Colonel Hams are more important in the building up of a new country than the great pioneering geniuses.

The great political geniuses get things done. But it is men like Colonel Ham that make the doing of them a joy and a privilege. They adjust the nation's sense of values. They make history a living, human narrative, not of facts and events, but of men and personalities.

George Ham was a landmark in the record of this country that will not soon be forgotten.

TURKEY CALLS UP ARMY CLASSES: IS IT NEW WAR THREAT?

London, April 19.—Turkey's new levy of army conscripts is causing general speculation and is regarded in various quarters as giving substance to recent rumors of contemplated Italian or Italian-Greek aggression at Turkey's expense.

Turkey is calling up the military classes of men of 21 and 22 years of age, and all the reserve men of from 23 to 25. The urgent action of the Turkish recruiting bureau is said to be causing considerable nervousness among the people of Turkey.

While there is nothing concrete on which to base fears of an attack on Turkey, in political circles the opinion is advanced that the smoke indicates the presence of fire and Turkey's action in increasing the peace footing of her army consequently is considered highly suggestive of danger.

Mussolini's Threat

Premier Mussolini's recently uttered speeches and his reference in February to "Italy Napoleonic year," is being interpreted, not only in Turkey as seriously aggressive and as suggesting an intention to achieve colonial expansion in Anatolia which is declared to be the deuce's aim. It is suggested more precise form may be given of the Italian intentions Wednesday when the traditional anniversary of the founding of Rome is celebrated. Mussolini is expected to have something more to say then regarding his country's political policy.

From Angora, the Turkish capital, come advices to the effect that everyone has been following closely Mussolini's voyage to Tripoli, and the general political situation, and that Turkey has not failed to make

MONTHLY SESSION MACLEOD AND DISTRICT BOARD OF TRADE

The monthly meeting of the Board of Trade was held Tuesday evening. There was a good representation of members present. The meeting endorsed the resolution from the Leithbridge Board of Trade re the naming of the Waterton Lakes the "Waterton National Park."

A number of letters were read from intending settlers, making application for land on the Macleod division of the Leithbridge Northern Irrigation District. These had been referred to the proper authorities. Several personal applicants had also been looked after by the executive.

W. H. Shield, M.L.A., reported that no change will be made in the route of the Red Trail. He also spoke of the completion of road improvements on the Blue Trail. President Farnsworth informed the meeting that the maps for the Red Trail would be out about the first of May.

He also stated that President Baillie, Commissioner Richardson and Director Duff of the Red Trail Association had been visitors in Macleod Tuesday, conferring with him on road matters, while on their tour of the road to the west. The meeting decided to hold a luncheon at the next regular meeting in May, when a noted speaker is expected to be present and give an address. The entertainment committee was instructed to provide a musical program.

THE BEAUTIFICATION OF RURAL SCHOOL GROUNDS

The Canadian Horticultural Council have earned the gratitude of every public spirited citizen in fostering the ornamental planting of the school grounds throughout the country. Commencing last year ten silver cups were offered for competition in various districts of the Dominion to the rural schools accomplishing the greatest degree of beautification of the grounds during the year. Most of these cups were won last season, but they cannot become the property of any school until won three times, not necessarily in successive years.

Don't let them gyp you

Orange-CRUSH does not have to be labelled "Imitation" on either bottles or crowns, because it is a true fruit drink. All the flavor comes from the orange. But—

The country is flooded with cheap imitations—yet you don't need to be cheated. Only inexperienced or unprincipled dealers will substitute. Most dealers will hand you Orange-CRUSH when you ask for it. Give them your patronage. Orange-CRUSH costs more than they pay for inferior imitations, but in the end they make more, because Orange-CRUSH is the most popular drink in the world today. Why should you accept a substitute made from—goodness only knows what? When you ask for Orange-CRUSH don't let them gyp you.

But in 1883 came Waterman's Ideal—the perfect pen—one that would always work properly, one that would not leak, one that would meet the peculiar requirements of every man's hand.

From a beginning of 200 pens a year—made by hand—Waterman's has developed into a great industry. To-day there are millions of Waterman's Ideal pens in service in all parts of the world.

47 Countries Drink It

NO wonder Orange-CRUSH is the world's most popular drink. To healthful carbonated water is added the juice of luscious oranges—the delicate flavor of their peel—the zestful tang of the fruit acid found in oranges, lemons and limes—a pure food color, such as you use in your cakes and candies—pure cane sugar. You get all the flavor as well as the aroma of the actual fruit.

When driving or walking—anywhere you go—look for the Orange-CRUSH signs. The dealer who displays them sells a Quality beverage. Step inside—call for Orange-CRUSH—look for the name Orange-CRUSH blown right into the Krinkly Bottle—then drink its cool deliciousness.

Orange-CRUSH is good for your children because it has real food value. A 6-oz. Krinkly Bottle of Orange-CRUSH has food value, measured in calories, equal to 1 1/2 times that found in a medium-sized, fresh, ripe orange.

Either at meals—as a refreshing treat when thirsty—when guests drop in for a visit—serve Orange-CRUSH. Order a case today from your nearest dealer.

sarily in succession. With the winning of each cup goes an Award of Merit Certificate that may be framed and kept by the school as a permanent record.

Mr. L. F. Burrows, Secretary of the Horticultural Council at Ottawa, announces that the number of entries being received promised keen competition this year. With each entry a photograph of the grounds should be supplied, to be compared with a similar picture taken in the autumn showing the improvement that has been made. Trustee Boards, Women's Institutes and Horticultural Societies are urged to cooperate with the Council, which will provide instructions and suggestions on the plants that may be used and their arrangement in the school grounds.

BARE FALLOW NOT FAVORED

Orton, April 17.—Several farmers have been seeding here during this week, but as a rule, seeding will perhaps not be general until some time next week. The soil is in fair shape, although very little moisture has fallen since last fall and the winds beside blowing away a considerable amount of the soil, have also taken out a lot of moisture, especially on the surface. A good rain would be beneficial in securing a complete germination. The acreage to Sweet Clover will no doubt be double that of last year.

A few farmers were quite successful last year in raising seed for themselves and a surplus for sale. There is some talk of corn planting, but most of the farmers are unable to do much along this line as more machinery would be needed and few are in a position to purchase it at present.

It is the general opinion that bare summerfallow will have to be done away with before successful farming can be accomplished.

BUY AT HOME SPEND YOUR MONEY IN MACLEOD

Purchases representing thousands of dollars are lost to us, to our trade, to our clerks and employees, to our laborers and artisans, to all the people of Macleod who exist on the products of their work. This money, if spent at home, would help to recreate Macleod financially, give a wider field of activities in business, would be helpful to every resident of this town.

If we purchased regularly from local merchants, this money would circulate in Macleod in a welcome manner. Our merchants merit our patronage; it is to our interest, and the duty of all of us to encourage the local merchant. He is one of us, he lives among us, he has the right to be encouraged by us, he is anxious to have our custom, and to give us satisfaction. We should under all circumstances give him preference, price for price, quality for quality. And nearly always the price that our local merchant asks is, if we compare the quality, just as cheap as that of the outside merchant.

Never purchase merchandise by catalogues from foreign houses before assuring yourself that you cannot procure the same articles, of the same quality (and frequently of better quality) at the same price from your local merchant.

BIG DAY FOR MACLEOD YOUNGSTERS

The biggest Gala Day for the kiddies ever held in Macleod will be on May 24th, next. The Women's Institute, in conjunction with the Scarlet and Gold Club and the Macleod Band, have arranged for an automobile and bicycle parade to commence at noon, for which handsome prizes will be given for the best decorated cars and best decorated bicycles (both for boys and girls). After the parade all children from Macleod and district will be taken over by auto to Jubilee Park, which is to be opened by Mayor J. W. McDonald. This park is donated to Macleod by the Scarlet and Gold Club, a club of girls who got together at the time of the Macleod Jubilee, and who have since been carrying on a splendid movement for the civic improvement of Macleod by means of funds raised from concerts, entertainments and dances. After the unveiling of the memorial flag pole on Victoria Day, the Girl Guides will give a series of dances, also the Dance of the Maypole will be given by the junior girls of the Macleod schools. A May Queen will be chosen, and will be crowned at the opening of the festivities, following Mayor McDonald's address.

Following this program the Macleod Elks will take charge of the entertainment of the children for the remainder of the afternoon. The Elks intend giving the youngsters the best picnic they have ever had in Macleod. Already arrangements have been started for a big program of sports, races, games, clowns, and other amusements together with lots of ice cream, pink lemonade and other delicacies that are the delight of all youngsters. Prizes will be

offered for the sports and races. The Elks have arranged to take the youngsters over to the grounds and bring them back at the close of the festivities.

The decorated car and bicycle procession will also be handled by the Elks, who are donating the prizes for these events with the exception of two special prizes, for the best decorated bicycle, boy or girl rider. It will be the biggest and brightest day for the children in Macleod's annals of juvenile entertainment.

REGULAR MEETING MACLEOD TOWN COUNCIL

Morris—McLeod—That we adjourn till next regular meeting.—Carried.

WAR DAYS RECALLED

The best side of life in the trenches of Flanders was revived when the Great War Veterans members of the United Church Men's Brotherhood entertained at the usual Tuesday evening supper this week. The main item of the menu was "Bully Beef" and things were looking rather lean until the arrival of the Canadian mail brought dainties in the way of cakes, etc., which considerably brightened the gloomy outlook. Other items of interest also arrived in the mail including photos and love messages from some of the Parisian beauties.

Lionel Griffin presided over the function, and after proposing a toast to the king and a "Silent Tribute to the Boys Who Did Not Return," he introduced the program with some reminiscences of his own experiences. J. Cooney spoke appreciatively of the send-off he got as the first soldier to leave Macleod for the scene of action, and of his reception home again, as well as referring to the extreme kindness of the people of the old land to the Canadian soldier. All the popular songs of the war time were sung, and Roger Hunt, who acted as sergeant in uniform during the evening, rendered "Oh, It's a Lovely War." Stanley Collis gave "The Sermon on 'Kit Inspection,' from The Dumbells. The unusually large attendance pronounced it one of the best meetings of the year.

TURKEY CALLS NEW LEVY OF YOUNG TROOPS

London, April 19.—Turkey's new levy of army conscripts is causing general speculation and is regarded in various quarters as giving substance to recent rumors of contemplated Italian or Italo-Greek aggression at Turkey's expense.

Turkey is calling up the military classes of men of 21 and 22 years of age, and all the reserve men of from 23 to 26. The urgent action of the Turkish recruiting bureau is said to be causing considerable nervousness among the people of Turkey.

While there is nothing concrete on which to base fears of an attack on Turkey, in political circles the opinion is advanced that the smoke indicates the presence of fire and Turkey's action in increasing the peace footing of her army consequently is considered highly suggestive of danger.

It is estimated that the men called added to those already summoned in connection with the Kurdish trouble to the Turkish colors yesterday and the Iraq dispute with Great Britain will bring the Turkish army to about double its normal strength of about 120,000 officers and men.

INDUCTION OF REV. A. O. THOMSON

The Presbytery of Calgary met in the Jumbo Valley Presbyterian Church Wednesday evening for the purpose of inducting the Rev. A. O. Thomson into the pastoral charge of Jumbo Valley and Granum. The Rev. Mr. Innis, of High River, Interim Moderator of the vacancy, conducted the service and preached the sermon the subject being "Liberty." The induction formula was conducted by the Rev. Mr. McLagan St. Andrew's Presbyterian Church, Calgary, who also addressed the newly inducted minister. The Rev. P. McNab, North Hill Presbyterian Church, Calgary addressed the congregation on their duties to the church and the minister. Mr. Thomson was then received and welcomed by the Presbytery, the Session, managers and congregation. There was a very large congregation present; including a large representation from the Granum congregation. A number of members of the Session of St. Andrew's Church, Macleod, were also present to join in the welcome to Mr. Thomson.

After the induction service was concluded the ladies of the congregation provided refreshments, and a social hour was spent by all present which was much enjoyed. There was a splendid spirit of unity and brotherly fellowship manifest in the whole service, which augurs well for a very successful ministry for Mr. Thomson, and the fact that Mr. Thomson has been supplying for the congregations for the past six months and has now been called and inducted as their permanent minister, shows that the congregation has appreciated the services of Mr. Thomson, who is a young man of the highest sterling qualities, with every prospect of a bright and successful future in the ministry of the Presbyterian Church.

AMATEURS MADE HIT IN "MARTHA MADE OVER"

The Ladies' Aid of the Macleod United Church put on a high class entertainment last Friday night in the town hall to a capacity house. The play was a comedy-drama in five acts entitled "Martha Made Over," a quaint drama of home life. Act 1—scene in the living room of the Hay's home. Act 2—Introducing Uncle Joe and Ruth Dawn. Act 3—Ruth gets a tonic for colds. Act 4—Uncle Joe meets trouble. Act 5—Six months later, a big change. The characterization of the play was as follows: Martha Hays' Mrs. Ades; Mr. Hays, Mr. Greens; Blanche Miss Lily Hicks; Ann Hays, Miss Luella Johnson; David Hays, Frank Brooks; Uncle Tom Goldie, Rev. W. H. Irwin; Samantha, Miss Ruth Gillespie; Dr. Mohler, Richard Panter; Ruth Dawn, Miss Edith Thewlis; Angelina Box, Mrs. A. F. Grady; Mrs. Fair, Mrs. Malby; Mrs. West, Mrs. C. Brewster; Rev. Mr. Black, Roger Hunt. The stage director was H. V. Clarke. Orchestra, Miss Laycock, Messrs. Doney, Edgar and Bremner. For an amateur play the whole performance was of a very high class order, there was no poor work in the whole cast, all the parts were well taken, and went smoothly along without a hitch from beginning to end, just as though it was an every day occurrence for all the actors. If special mention of any of the characters were permissible the splendid portrayal of the parts of Mrs. Ades and Mr. Roger Hunt deserve special notice, also that of Frank Brooks which was exceptionally good for a youngster of his age. The appreciation of the large audience was shown by the well deserved rounds of applause which greeted each act, and the humorous skits throughout the play.

LOSS OF STANDING TIMBER BY FIRE CONTINUES TO BE APPALLING. ON THE AVERAGE, OVER 3,500 MILLION BOARD FEET ARE DESTROYED ANNUALLY. THE FORESTS OF CANADA ARE BEING DEPLETED AT A RATE THEY CANNOT POSSIBLY WITHSTAND; MORE THAN HALF OF THIS DEPLETION IS DUE TO FIRE, INSECTS AND DECAY. THE FUTURE OF THE FOREST INDUSTRY IS JUST AS DEPENDENT ON THE SEEDLING TREES AND YOUNG GROWTH AS THE PULP AND PAPER AND LUMBER MILLS, AND INDUSTRY GENERALLY, ARE DEPENDENT ON MATURE TIMBER—BOTH MUST BE SAVED FROM THE RAVAGES OF FIRE.

In addition to the shelter afforded by the forest to the farmer and his stock, settlers in forested regions are vitally dependent on the woods for winter employment. Care with fire in land-clearing operations is all-essential—burned timber pays no wages.

Canada has the finest inland fishing in the world, but these splendid food and game fish require clean, cold water in the streams to ensure prolific reproduction. Forest fires are inimical to fish life.

Game animals attract foreign tourists and induce Canadians to seek pleasure, health and adventure in the great outdoors. These animals are distinctly a forest resource—utterly dependent on it for protection and food. Forest fires are most destructive of such wild life.

Ninety per cent of the forest fires are caused by carelessness. Are you doing your part to prevent this wanton waste and destruction?

This is a STUDEBAKER Year

A SYMBOL THAT MEANS SOMETHING

"Body by Studebaker"—here is a phrase that is rich in meaning to the man who is about to buy a motor car. It means a saving of hundreds of dollars on a car, for Studebaker builds all its own bodies in its own \$10,000,000 body plants—and saves middleman's profits. And it means a car of distinctly original design—a car of unusual beauty with finish and appointments of a quality that is unsurpassed.

"Body by Studebaker" is a symbol of quality—a mark of fine craftsmanship that is worth looking for.

LOCAL AND PERSONAL NEWS

Mrs. J. A. Sonners, of Lethbridge, is the guest of Miss A. Hodnett.

J. O. Miller, of Calgary, was a Macleod business visitor today (Thursday).

The Rev. G. McComas was at Clarendon on Monday April 19th where he officiated at the funeral of the late Mrs. W. Cornish.

Hugh McLean returned from Edmonton on Saturday last, and reports that Mrs. McLean is progressing favorably following her operation.

Mr. and Mrs. W. V. Price returned to Macleod on Thursday of last week after spending a holiday of a few weeks' duration at San Francisco and other southern points.

The Rev. Mr. McNab, The Rev. Mr. McLagan, of Calgary, and The Rev. Mr. Innis, of High River, were visitors in Macleod on Wednesday afternoon enroute to Jumbo Valley.

Messrs. H. H. McLean, J. A. Struthers, A. L. McKenzie, J. McMurich, Hugh Mackintosh and R. J. E. Gardiner, motored to Jumbo Valley Presbyterian Church on Wednesday evening to attend the service in connection with the induction of The Rev. A. O. Thomson.

The death of Mrs. W. Cornish occurred at Clarendon on Thursday, April 15th. The deceased was the wife of William Cornish, who is the agent for the Gas Company, at Macleod. Mrs. Cornish is mourned by her husband and five small children. The funeral was held from St. John's Anglican Church, Clarendon, on Monday, April 19th. The Rev. G. McComas, of Christ Church, Macleod, conducted the service and last rites for the deceased. The funeral was largely attended by sorrowing

MEETING OF "JUBILEE CITY GIRLS' CLUB"

The "Jubilee City Girls' Club," a Macleod affiliation of the Alberta Women's Institute, met at the home of Mrs. Sutherland on Tuesday evening, April 20th. The meeting opened with the singing of "O Canada." At the conclusion of the club activities Mrs. Sutherland served dainty refreshments.

The motto of the Women's Institute Girls' Clubs is "More Efficient Girls for Canada."

Under the efficient supervision of Mrs. Greenwood the "Jubilee City Girls' Club" hopefully aspires to be helpful in community welfare in Macleod.

friends and acquaintances of the deceased lady.

Mr. and Mrs. D. J. Grier were Calgary visitors on Wednesday and Thursday of last week.

G. F. Meers returned on Sunday from Coleman where he had spent several days on business.

BLAIRMORE MUSICAL FESTIVAL

The Rev. Mr. Irwin attended a meeting of the Blairmore Sunday School Musical Festival committee this week. The recent festival, besides being a success from every standpoint musically, showed a credit balance of well over four hundred dollars. The committee voted an honorarium of two hundred and fifty dollars to the Rev. and Mrs. W. T. Young, whose untiring efforts were responsible for making the affair the success it was.

Invitations were forthcoming from the Board of Trade of Pincher Creek and the Mayor of Macleod for the holding of next year's festival in these towns. After considerable discussion it was decided to enlarge the territory to extend from Macleod to Fernie, and to make Blairmore the permanent center, at which the festival should be held annually.

Arrangements are under way to secure next year's adjudicators as early as possible so as to issue the prospectus early in the fall. In the department of elocution it was decided to secure a professional adjudicator and to include a class for adult elocutionists. A proposal to change the date of the festival to the fall was over-ruled and the festival will take place Easter week as this year.

MACLEOD WOMEN'S INSTITUTE HOLDS INTERESTING MEETING

The monthly meeting of the Macleod Women's Institute took place Tuesday afternoon with Mrs. Russell, the president, in the chair. A large number of members were present, each answering the Roll Call with useful hints for the home-maker.

Plans were discussed for the big celebration on May 24th. There will be a parade with decorated floats; patriotic addresses will be given, and there will be a May Pole Dance, crowning of the May Queen, etc. The Macleod Elks have kindly consented to take charge of the part of the entertainment for the children.

Plans were also discussed for the beautifying of the Cemetery grounds.

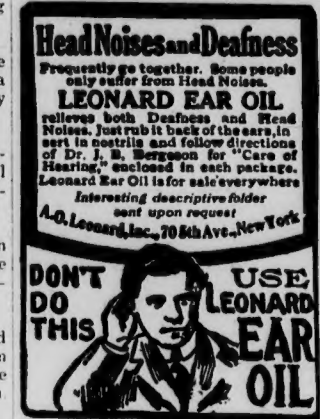

After the transaction of business Mrs. T. S. McLean took the chair and a very pleasing program was carried out. Mrs. Jas. Ringland being convener. There were solos by Miss Hicks and Gwen Ferguson; a duet by Mina and Ruth Ringland piano solos by Mrs. R. Ferguson and Miss Lillian Andrews, a recitation by Holly Young, an old time country dance by four Girl Guides, and the "Daily Dozen" rendered in a very capable manner by the Intermediate Section of the C.G.I.T. under the direction of Mrs. Kinnear.

Mrs. T. S. McLean read a very interesting paper on "Immigration," telling of the many nationalities who have come to our Fair Dominion and showing how all may help to assimilate them.

Mrs. Coffey gave a short review of important current events for the month.

The social half hour followed, the tea tables looking especially attractive with dainty china, and each table being centred with a tulip.

The Women's Institute are expecting Miss McMillan, of Edmonton, Director of Women's Institutes for Alberta, to lecture at Macleod in May—the date to be announced later.
